Invited Speaker Landelijk Expertise Centrum Kindermishandeling
Congres Aanpak Kindermishandeling; Evidence Based en Up-to-Date
Ede, December 17, 2015
8. *AMC World of Science*
Invited Tutor "How to write an scientific abstract"
Amsterdam, Tulip Riverside Hotel, November 10, 2015
9. *"Methodologie en een vleugje statistiek"*
Invited Speaker FysioTopics
Hilversum, October 13, 2015
10. *"Evidence Based Practice en Zorgplan strategie"*
Invited Speaker FysioTopics
Hilversum, April 21, 2015
11. *Bewijsgestuurde zorg; evidence based practice versus practice based evidence*
Rede uitgesproken bij de aanvaarding van het ambt van bijzonder hoogleraar
Evidence Based Practice in Health Care
Universiteit van Amsterdam, Faculteit der Geneeskunde Maart 20, 2015
12. *"Flashcollege EBP: Bewijsgeleide zorg"*
Keynote speaker Minisymposium Evidence Based Practice OLVG
Amsterdam, December 18, 2014
13. *"Evidence Based Practice versus Practice Based Evidence"*
Invited Speaker, Annual Scientific Congress of the Royal Dutch Society of Physiotherapy
Maarsen, June 14 and 15, 2014

14. *"Evidence Based Practice in de Verpleegkunde"*
Invited speaker AMC Symposium Professional in the lead
Amsterdam, Februari 7, 2013

15. Invited Chair *"Congres Evidence Based Measurements in Nursing Science"*
Bohn, Stafleu van Loghum
Jaarbeurs Utrecht, December 4, 2012

16. Invited speaker: *"Evidence Based Practice versus Practice Based Evidence"*
Lymfologie Congres,
Rotterdam, De Doelen September 28 en 29, 2012

17. Chair *Tenth Anniversary Conference "Bridging Health Care and Science"*
AMC Amsterdam, May 22, 2012

18. Invited Chair: *"Why bother with EBM?"*
Pre-Spinoza Lecture by Prof. Gordon Guyatt, MD, PhD voor Master EBP
AMC, September 9, 2011-12-07

Invited Speaker Congres "Over grenzen ..." voor sociaal verpleegkundigen in de
tuberculosebestrijding
Conferentiehôtel ISVW, Leusden, April 14, 2011

20. Invited Chair *"Congres Evidence Based Nursing"*
Invited speaker *"Randomized Controlled Trials; the basics"*
Bohn, Stafleu van Loghum
Jaarbeurs Utrecht, December 9, 2010

21. *"Studiedag Evidence Based werken in de GGZ"*
Invited speaker: *"De steen van Sisyphus en de klinische praktijk"*
Bohn Stafleu van Loghum
Gelderse Roos, Wolfheze, 10 november 2010

22. Invited Chair *"Congres Evidence Based Practice"*
Invited speaker *"Inspiratie bij implementatie van evidence based verpleegkunde"*
Bohn, Stafleu van Loghum
Jaarbeurs Utrecht, December 3, 2009

23. *"Tens als interventie bij oncologische pijn"*
Invited speaker Spaarne Ziekenhuis
Hoofddorp, September 2009

24. Invited Chair *"Congres Evidence Based Richtlijnen voor de Verpleegkundige Praktijk"*
Boh, Stafleu van Loghum
De Reehorst, Ede, December 2008

25. *"Evidence Based Practice and management van evidence; echte liefde of
verstandshuwelijk?"*
Invited speaker Emma Kinderziekenhuis, De Metamorfose; kwaliteit en procesinnovatie
in het ziekenhuis
Emma kinderziekenhuis AMC, Amsterdam, April 16, 2008

26. *"Evidence Based Practice and management of evidence, or: Dancing with an elephant"*
Invited Speaker Congres Evidence Based Practice in de Verpleegkundige Praktijk
Boh, Stafleu van Loghum
De Reehorst, Ede, December 2007

27. *"Critical appraisal"*
Invited speaker Cursus Lezen en Interpreteren van Wetenschappelijke Publicaties
Afdeling Kindergeneeskunde, AMC Amsterdam, March 2007

28. *"De beste therapie op basis van het meest overtuigende bewijs"*
Invited speaker Cursus Lezen en interpreteren van Wetenschappelijke Publicaties
Afdeling Kindergeneeskunde AMC, Amsterdam, March 2007
29. *"Onderzoeksmethodologie en een vleugje statistiek"*
Invited speaker Cursus Lezen en interpreteren van Wetenschappelijke Publicaties
Afdeling Kindergeneeskunde, AMC Amsterdam, March 2007
30. *"Levels of evidence en maten voor effect"*
Invited speaker Evidence Based Practice
Vereniging voor Sociaal Verpleegkundigen, December 2006
31. *"Critical appraisal"*
Invited speaker Cursus Lezen en Interpreteren van Wetenschappelijke Publicaties
Afdeling Kindergeneeskunde, AMC Amsterdam, November 2006
32. *"Afrekenen met Rituelen in de Zorg"*
Invited speaker AMC Symposium Professional in the lead
Amsterdam, November 16, 2006
- 30 *"De beste therapie op basis van het meest overtuigende bewijs"*
Invited speaker Cursus Lezen en interpreteren van Wetenschappelijke Publicaties
Afdeling Neonatologie AMC, Amsterdam, November 2006
- 31 *"Onderzoeksmethodologie en een vleugje statistiek"*
Invited speaker Cursus Lezen en interpreteren van Wetenschappelijke Publicaties
Afdeling Neonatologie, AMC Amsterdam, November 2006
- 32 *"Evidence-based omgaan met decubitus"*
Cursus Preventie van Decubitus
Invited Speaker Nederlands Paramedisch Instituut, Papendal, Januari 24, 2006
- 33 *"Waar wetenschap en praktijk elkaar ontmoeten"; resultaten uit onderzoek ter verbetering van de zorg*
Invited Chair Vlaams-Nederlands Wetenschappelijk Congres
Katholieke Universiteit Leuven, December 2, 2005
- 34 *"Evidence-based dosage parameters using electrostimulation as an analgesic; the need for a new approach"*
7th Congress of Chinese Medicine and Rehabilitation
Invited Speaker Chinese Medical Association
Shanghai, September 9-13, 2005
- 35 *"EBP, Wat kan je er mee? – De beoordeling van wetenschappelijke waarde"*
Invited Speaker Symposium Landelijke Vereniging Sociaal Verpleegkundigen
Amsterdam, September 29, 2005
- 36 *"Evidence-Based Electrical Stimulation as an Analgesic; Miracle or Pitfall"*
Invited Speaker MDB-Symposia
Catharina Hospital, Eindhoven, October 2002
- 37 *"Evidence-Based Practice in Physiotherapy"*
Invited Speaker Deliberative Body of Physiotherapy (I.O.F.) Nieuw-Vennep
Nieuw-Vennep, 2002
- 38 *"Evidence-Based Practice in Physiotherapy"*
Invited Speaker Deliberative Body of Physiotherapy (I.O.F.) Badhoevedorp
Badhoevedorp, 2002
- 39 *"Low Level Laser Treatment in the Management of Chronic Wounds"*
Invited Speaker Department of Plastic Surgery and Reconstructive Surgery, Academic Medical Center (AMC), University of Amsterdam (Professor C.M.A.M. van der Horst, MD, PhD)
Amsterdam, 2001

- 40 *"Parameter Characteristics of Transcutaneous Electrical Neuro Stimulation in Specific Pain Syndromes"*
Invited Speaker I.O.F. (Deliberative Body of Physiotherapy)
Nieuw-Vennep, 2000
- 41 *"Clinical Electromyography and Electromyofeedback"*
Invited Speaker Enraf-Nonius
Delft, 2000
- 42 *"Parameter Characteristics of Transcutaneous Electrical Neuro Stimulation in Specific Pain Syndromes"*
Invited Speaker SKILLLABS
Uden, The Hague, Arnhem, Almere, 2000
- 43 *"The Use of the EN-TreeM® as an Iso-inertial Dynamometer in Multidimensional Movement Registrations"*
Invited Speaker SKILLLABS
Rotterdam, 1999
- 44 *"Parameter Characteristics of Transcutaneous Electrical Neuro Stimulation in Specific Pain Syndromes"*
Invited Speaker SKILLLABS in Cooperation with RGF Holland Zuid and RGF Randmeren
Maassluis (R.G.F.), Soesterberg (R.G.F.), The Hague, Rotterdam 1999
- 45 *"The use of TENS in the Management of Patients with Pain: The State of the Art"*
Invited Speaker Fysioscoop
Zwolle, Arnhem, The Hague 1998
- 46 *"Applications of Transcutaneous Electrical Nerve Stimulation in the Management of Patients with Pain: State of the Art Update"*
Invited Speaker Klinia (Antwerp Clinics, Belgium)
Braschaat, Belgium, 1998
- 47 *"The Research Component in Higher Vocational Physiotherapy Education in the Netherlands"*
Invited Speaker Annual Congress of the National Society of Physical Therapy Education
Groningen, 1998
- 48 *"The use of TENS in Pain Management"*
Invited Speaker Fysioscoop
Delft, Goes, 1998
- 49 *"Clinical Electromyographics and Electromyofeedback"*
Institute for Rheumatology and Rehabilitation "Jan van Breemen"
Amsterdam, 1998
- 50 *"Myofeedback; Principles and Practice for Clinicians"*
Two Days Course for Brazilian Physiotherapists
Invited Speaker Delft Instruments The Netherlands
Delft, 1998
- 51 *"Myofeedback and Combined Electrical Stimulation"*
Invited Speaker Enraf-Nonius Belgium
Gent (Belgium), 1997
- 52 *"Neurophysiological Aspects of the Inflammatory Process and its Implementation for Physiotherapeutic Interventions"*
Invited Speaker Enraf-Nonius Belgium
Brussels (Belgium), 1997
- 53 *"Recent Advances in Myofeedback; Principles and Practice for Physiotherapists"*
Invited Speaker Enraf-Nonius
Delft, 1997

54. *"Low Power Laser in the Treatment of Pressure Sores"*
Institute for Post-academic - & Special Courses University of Utrecht
Utrecht, 1997
55. Inservice Training *"Relief of Pain by TENS"*
Invited Speaker Rehabilitation Centre Rijndam
Rotterdam, 1997
56. *"Electrical Currents and Ultrasound Applications as an Analgesic"*
Invited Speaker Institute for Post-academic - & Special Courses (I.R.S.K.)
Euro-Volley-Centre Brussels (Belgium), 1997
57. *"Electrical Modalities and Ultrasound Application in Physiotherapy and Rehabilitation"*
Invited Speaker Institute for Post-academic - & Special Courses
University Hospital Gent (Belgium), 1997
58. *"Electrical Stimulation in Pelvic Floor Reeducation; a Physiologic Approach to the Treatment of Urinary Incontinence"*
Invited Speaker Society 'Pelvic Floor The Netherlands'
Delft, 1997
59. *"Electrical Currents as a Therapy in Reducing Pain"*
Invited Speaker Delft Instruments Belgium
Antwerpen (Belgium), 1997
60. *"Electrical Stimulation in Epileptic Children"*
Invited Speaker Epileptic Research Centre Cruquius
Haarlemmermeer, 1997
61. *"Ultrasonography in Physiotherapy; Equipment, Artefacts and Normal Appearances"*
Invited Speaker Enraf-Nonius
Delft, 1996
62. Skills Lab *"Electrostimulation as an Analgesic"*
Invited Speaker Delft Instruments The Netherlands
Brunsum, Assen, Amsterdam, Eindhoven, Ede, Winschoten, Bunnik, 1996
63. *"Research Outcome of Laser Treatment in Physiotherapy"*
Invited Speaker Delft Instruments Belgium
Oudenaarde (Belgium), 1996
64. Workshop *"Adequate Dosage Parameters in Electrostimulation"*
Invited Speaker/Trainer Delft Instruments Belgium
Brugge (Belgium), 1996
65. *"Benchmarking on Adequate Dossage Parameters in Electromedical Equipment"*
Invited Speaker International Physiotherapy Conference
"Current trends in the management of musculoskeletal disorders"
Kuala Lumpur, Malaysia, 1996
66. *"Clinical Epidemiology, Principles and Practice"*
Invited Speaker Academy for Manipulative Therapy (SOMT)
Amersfoort, 1996
67. *F"Lasertreatment in Pressure Sores"*
Invited Speaker, Orthopaedic Laser Society of North America
Third International Congress of the International Musculoskeletal Laser Society (IMLAS)
Kassel (Germany), 1996
68. *"The effects of Laser therapy on woundhealing "*
Invited Speaker, National Symposium on Wound Management *"Focus on Pressure Sores"*
Heerlen, 1996

69. Workshop "Assesment of Electrical Stimulation combined with Ultrasound for Diagnostic and Therapeutic Purpose" for Brazilian Physiotherapists
Invited Speaker Delft Instruments The Netherlands
Delft, 1995
70. Skills Lab "Electrostimulation as an Analgesic"
Invited Speaker Delft Instruments The Netherlands
Arnhem, Nulde-Putten, Westebroek, Akersloot, Gorinchem, Nieuwerkerk, Apeldoorn,
Breukelen, Stein-Urmond, Goes, Bunnik, Leiderdorp, 1995
71. "Muscle Strengthening and Muscle Lengthening by means of Electrical Stimulation"
Invited Speaker Delft Instruments Belgium
Oudenaarde (Belgium), 1995
72. "Clinical Epidemiology, the Principles"
Invited Speaker Academy for Manipulative Therapy (SOMT)
Amersfoort, 1995
73. Skills Lab "Assesment of Electrical Stimulation combined with Ultrasound for Diagnostic and Therapeutic Purpose"
Invited Speaker Delft Instruments The Netherlands
Arhem, Nulde-Putten, Gronigen, Alkmaar, Goes, 1995
74. "Transcutaneous Electrical Nerve Stimulation in the Treatment of Pain Patients"
Invited Speaker Delft Instruments Belgium
Oudenaarde (Belgium), 1995
75. "Low Level Laser Therapy on Decubitus Stage III; a Double Blind, Placebo Controlled Clinical Trial"
Invited Speaker, Annual Congress of the Royal Dutch Society of Physiotherapy
The Hague, 1995
76. "Clinical Epidemiology, the Principles"
Invited Speaker Academy for Manipulative Therapy (SOMT)
Amersfoort, 1994
77. "Elements of Research in Physiotherapy"
Invited Speaker Academy for Manipulative Therapy (SOMT)
Amersfoort, 1993
78. "Transcutaneous Electrical Nerve Stimulation, New Perspectives"
Invited Speaker Delft Instruments The Netherlands
Delft, 1992
79. "Comparison on the Results in Wound Healing by TENS, Laser and Ultrasound"
Invited Speaker Delft Instruments The Netherlands
Delft, 1991
80. "Transcutaneous Electrical Nerve Stimulation"
Invited Speaker Delft Instruments The Netherlands
Delft, 1990
81. "Clinical Decision Making in Eletrostimulation"
Invited Speaker Delft Instruments The Netherlands
Delft, 1988
82. "Clinical Decision Making in Physiotherapy"
Invited Speaker Delft Instruments The Netherlands
Delft, 1987

83. *"Physiotherapeutical Interventions in Pain relief"*
Invited Speaker Institute for Applied Neurosciences
Amsterdam, 1986
84. *"Recent Advances on Pain; Physiotherapeutical Aspects"*
Invited Speaker Institute for Applied Neurosciences
Amsterdam, 1985
85. *"Laser Applications in Physiotherapy"*
Invited Speaker Delft Instruments The Netherlands
Amsterdam, 1985
86. Workshop *"Living Anatomy; Vertebral Collumn"*
Invited Speaker School for Mensendieck Excercise Therapists
Amsterdam, 1984
87. *"Relief of Pain by Transcuteneous Electrical Nerve Stimulation"*
Invited Speaker Institute for Applied Neurosciences
Amsterdam, 1984
88. *"TENS, a Method for Control of Chronic Pain"*
Invited Speaker Institute for Applied Neurosciences
Amsterdam, 1984
89. *"TENS, a Method for Control of Chronic Pain"*
Invited Speaker Delft Instruments The Netherlands
Amsterdam, 1984
90. *"Laser treatment in Physiotherapy, Fact or Fiction ?"*
Invited Speaker Delft Instruments The Netherlands
Amsterdam, 1984
91. *"TENS, a Method for Control of Chronic Pain"*
Invited Speaker Institute for Applied Neurosciences
Amsterdam, 1984
92. *"Local analgesia from Electrical Stimulation"*
Invited Speaker Institute for Post Graduate Education and Training (PostAc)
Amsterdam, 1983
93. Workshop *"Living Anatomy; Upper Limb"*
Invited Speaker School for Mensendieck Excercise Therapists
Amsterdam, 1983
